9-12 Students! We are going to get back on track with our lunch routine. Please remember that only the first two grades are in line at the beginning of lunch. The second group should stand near the grey wall and circle around the corner while the first group is getting their food - no more clumping up at the door! The remaining two grades remain seated until the grade level is called up. It is still just fine to line up with the first group if you have a meeting with a staff member. Thanks for being great kids! Mrs. Vincent
